

Position: Live-In Horse Caretaker(s) on Sonoma Mountain Road

SCHC Member is seeking a responsible and experienced couple or individual as live-in caretaker(s) for their four dressage and trail riding horses. This unique opportunity includes a renovated caretaker home with 2-3 bedrooms and 2 bathrooms.

Responsibilities:

- Clean stalls, feed, turn horses out to pasture, and bring them in.
- Assist with grooming, including intermittent lunging, baths, arena dragging, and trailering.
- Manage horses during owner's absence from the property.
- Demonstrate proficiency in injury management and general horse care.
- Additional duties as needed.
- Assist with property maintenance, such as irrigation and fence repair (experience preferred but not required).
- Work collaboratively with owners in maintaining the overall well-being of the property.

Qualifications:

- Previous experience in horse care, with a focus on dressage and trail riding.
- Ability to manage and address horse injuries.
- Strong communication skills.
- Willingness to assist with property-related tasks (if applicable).

Start Date: March/April 2024

Compensation:

- Free rent, utilities, and internet included.
- Negotiable salary based on experience and qualifications.

This is an excellent opportunity for horse enthusiasts who wish to immerse themselves in a live-in caretaker role. If you are passionate about equine care and seek a unique living arrangement, we encourage you to apply.
